ASSEMBLY & INSTALLATION GUIDE

INSPECT ITEM CAREFULLY BEFORE ATTEMPTING TO INSTALL. IF THERE IS ANY DAMAGE OR OBVIOUS DEFECT, DO NOT INSTALL.

ITEM MAY NOT BE RETURNED ONCE IT HAS BEEN INSTALLED.

1. Remove white plastic bushing inside of threaded holes. The threaded holes are at bottom of part (B) and pole (D).
2. Thread top nipple of base (E) into bottom threaded opening of part (D).
3. Thread top nipple of pole (C) into bottom threaded opening of part (B).
4. Insert light bulb into socket.
5. Remove protective plastic (F) from electrical plug (G).
6. Plug lamp into wall outlet.
7. ADJUSTMENT INSTRUCTIONS:
 - A. Loosen adjustment keys found on lamp stem.
 - B. Adjust lamp by pulling or pushing lamp pole (C) up or down to desired height, or swing lamp arm or shade to desired position.
 - C. Tighten adjustment keys.
